ADD IT TO YOUR PORTFOLIO NOW!

In our opinion, with its flagship product the, Tbar Instant Platform, Exchange Mobile is poised to make some major jumps in price and volume in the coming trading sessions.

Exchange Mobile delivers a complete solution to assist users in maintaining contact whether they are stationed at a computer terminal or roaming outdoors on a cell phone.

Exchange Mobile incorporates an instant platform that is enabled for multi-point access and instant messaging on PC to PC, PC to mobile, and mobile to mobile connections.

Tbar instant platform includes a global wireless text messaging network, connecting to over 100 mobile operators worldwide. Tbar instant platform

is an instant engine, through which customers can chat online as well as on wireless devices.

It can assist online enterprises and communities in creating a flexible mechanism to reduce churn, contributing to subscriber loyalty and retention.

#### WHAT DOES THIS MEAN???

The answer is simple, this could equate to huge dollars on Wall Street as SMS technology companies and content providers are getting noticed by hedge funds and institutional investors.

We are predicting that EXMT will experience gains as high as 400% in the next 7 trading sessions.

We strongly urge you to call your stock broker and ask them about EXMT.
